

Intellectual workforce engagement platform  
for businesses mindful of their personnel

## All essential employee engagement tools in one place

### Foster horizontal connections

- Chats for teams, small and large groups
- Peer-to-peer recognition badges
- Integration with Slack and email platforms

### Hear from your personnel

- Employee surveys on any topics
- Fully customizable templates
- Intelligent analytics and reporting

### Share important information

- Internal news and announcements
- Messages from management
- Strengthen your feed with rich text formatting and video

### Recognize your staff's contribution

- Encourage participation in company's life
- Reward active contributors with 'Teal' tokens
- Give away incentives and goods

### Automate performance assessments

- Schedule the assessments to ensure they're not missed
- Record findings, conclusions, and action plans
- Track execution and bring results forward to the next session
